#### OFFERS PRIZE FOR BETTER GRADE CORN

C. V. Harlow Believes a Higher Grade Should be Produced Here; Docfor Earnheart Interested.

In an effort to stimulate the grow-Frank Davis of Emid, Oklai, aged 25, ing of high-grade corn in Tuba. alleged leader of a gang of bandits, county C. V. Harlow has come out was killed today in a pitched battle with an offer of \$200 to be divided between his gang of four mon and a equally among the girls and boys posse of officers, headed by Chief of Called Dr. C. E. Earnheart, farm demanstrator, to his office yesterday and The fight took place in a Carring-ton rooming house. Davis was shot through the heart by the first bullet gested that Doctor Earnheart decise

for the best exhibits at the next free Davis enclosed money.

Mr. Tronk, notified by authorities, would probably have all plans for wired back for information as to bavis' manner of death and cost of the expenditure of the money completed within a week.

> product possible. His generous offer-coupled with a promise to give further, if necessary, to bring this about will undoubtedly be an incentive to

the boys and girls of Tulsa county to put forth their best efforts. If was the presence of mediocre orn in the Tubsa exhibit at the State fair recently that prevented it from winning first honors.

"Tulsa county can and will grow 25 bushels more in the acre than the seed used now and besides it is of inferior quality," said Doctor

### "KICK IN" GOOD START FOR WINTER SEASON

"Kick In," occupied the boards at the Grand theater Sunday for the opening of this popular playhouse and the attraction proved to be one of the he feared bloodshed.

His representations were supported, it was said at the governor's office, by the affidavits of citizens and of the best that has visited Tulsa in a long time. Two fairly good houses witnessed the performances and were office, by the affidavits of citizens and the best that has visited Tulsa in a long time. Two fairly good houses witnessed the performances and were loud in their praises of the offering.

Woods, a name to conjure within the show world. It is doubtful if Woods has a better trick in his bag than "Kick In."
"Kick In." is from the pen of the well known playwright, Willard Mack, and while it is, for the most part, a drama, there is enough fun written into the lines to make it a perfectly enjoyable play. Everyone of

# CASE HELD TO COURT

Tom Marrison, one of the suspects picked up by the police Saturday night following the holding up of Mrs. M. Burcett in her grocery

revolver at her rifled the cash remater of \$20. He was inter picked up in an isolated part of the city and bosi-tively identified by Mrs. Burcett as the man who had committed the rob-

bery. He had no money in his pockets when arrested but, it is supposed, had invested the money in a new suit of clothes which he was wearing. He
